The BACHELORETTE

Season 13 **Bracket Instructions**

You do not need to make ANY selections PRIOR TO, or DURING, the first episode of The Bachelorette.

Watch the first episode on Monday, May 22, 2017, at 9pm/8pm central.

During the first rose ceremony, cross out the names of the men who have been sent home.

AFTER the first rose ceremony has ended:

- * Choose the 18 men that you think will survive the next rose ceremony.
- * Continuing filling out your entire bracket, to completion, PRIOR to watching the second rose ceremony.

After the second rose ceremony has ended:

- * Give yourself 2 points for each man that you correctly predicted would receive a rose.
- * Add your total to "Weekly Score" at the bottom of the "2nd Rose Ceremony" column.
- * Your "Total Score" this week is the same as your "Weekly Score".

For all other weeks:

- * After tallying your "Weekly Score", add it to the previous week's "Total Score". This is your new "Total Score".
